

# Hey Ho Wish You Well

Slade

Hey ho wish you well, wish you well, wish you well...  
Hey ho wish you well, wish you well...

Hey ho wish you well  
Everybody wanna yell  
High fly touch the sky  
Over the moon  
Here there everywhere  
Any grumble going spare  
High fly touch the sky  
Over the moon  
Over the moon

Mad dogs and Englishmen  
Going out in the midday sun  
Come on and join the fun  
Do you know what I mean  
Are you a ladies man  
Gypsies kiss in a caravan  
Drinking the black and tan  
Do you know what I mean

Hey ho wish you well  
Everybody wanna yell  
High fly touch the sky  
Over the moon  
Here there everywhere  
Any grumble going spare  
High fly touch the sky  
Over the moon  
Over the moon

Turn on your Dictaphone  
Take your secretary home  
Break down in a parking zone  
Do you know what I mean  
Riff raff I need a bath  
Try and look good on a photograph  
I'm on a crazy path  
Do you know what I mean

Hey ho wish you well  
Everybody wanna yell  
High fly touch the sky  
Over the moon  
Here there everywhere  
Any grumble going spare  
High fly touch the sky  
Over the moon  
Over the moon

Mad dogs and Englishmen  
Going out in the midday sun  
To hot to jump the gun  
Do you know what I mean  
Are you a ladies man  
Gypsies kiss in a caravan

Drinking the black and tan  
Do you know what I mean

Hey ho wish you well  
Everybody wanna yell  
High fly touch the sky  
Over the moon  
Here there everywhere  
Any grumble going spare  
High fly nice and high  
Over the moon

Hey ho wish you well  
Hey ho wish you well  
Hey ho wish you well  
Hey ho wish you well

Hey ho wish you well  
Hey ho wish you well

Hey ho wish you well  
Hey ho wish you well  
Hey ho wish you well  
Hey ho wish you well...
