## It's Hard Having Fun Nowadays

Slade

(Holder & Lea)
Oh there were five ten fifteen men
Bouncing beer bellies
And they're dancing round again
Two four six and maybe eight
Rowdy people rocking
Giving it the G.B.H.

## Chorus:

It's hard having fun nowadays
So we just gotta find some new ways
It's so hard having fun nowadays

C'mon let me tell ya
There were hard case men about the house
Dreaming of Samantha
In a well filled blouse
Black white yellow livewires
Getting on together
Like a house on fire

## Chorus

High jinx everybody quit it Looking all around me Like a bomb has hit it Knock knock anybody there Piccadilly is a circus Leicester is a square
