

Just Want a Little Bit

Slade

I don't want much
I just want a little bit
I don't want it all
I just want a little bit
I want a teeny-weeny bit just a teeny-weeny bit of your love

I want you for ever
For just my peace of mind
Please say you'll never leave me
Until the end of time
I want a teeny-weeny bit just a teeny-weeny bit of your love

Ohhh

Turn your lights down low
Oooh come on and slip me a kiss
Turn your lights down low
Oooh I just-a can't resist
I want a teeny-weeny bit just a teeny-weeny bit of your love

I want you for ever
Oooh for my little peace of mind
I want you for ever
Oooh until the end of time
I want a teeny-weeny bit teeny-weeny bit of your love

I don't want much
I want just a little bit
I don't want it all
I just want a little bit
Just a teeny-weeny bit just a teeny-weeny bit of your love

I don't want it all
I just want a little bit
Just a teeny-weeny bit I want a teeny-weeny bit of your love

Ohh Ohh Ohh

Break

I don't want much
I just want a little bit
I don't want it all
I just want a little bit
I want a teeny-weeny bit just a teeny-weeny bit of your love

I want you for ever
For just my peace of mind
Please say you'll never leave me
Until the end of time
Want a teeny-weeny bit teeny-weeny bit of your
Teeny-weeny bit teeny-weeny bit of your
Teeny-weeny bit teeny-weeny bit of your love
