Slade

Lemme love into you  
Lemme lemme love into you  
Let me take you  
Let me make you  
Let me give you love  
Let me give you something,  
Let me let me give you something  
To remember, let me bend ya  
Let me give you love

Let me give you love  
Let me give you love  
Let me give you love  
Let me give you love  
Let me give you love  
Let me give you love

[guitar solo]

Let me meet ya  
Let me treat ya
