

Lemme Love into Ya

Slade

Lemme love into you
Lemme lemme love into you
Let me take you
Let me make you
Let me give you love
Let me give you something,
Let me let me give you something
To remember, let me bend ya
Let me give you love

Let me give you love
Let me give you love
Let me give you love
Let me give you love
Let me give you love
Let me give you love

[guitar solo]

Lemme love into you
Lemme lemme love into you
Let me meet ya
Let me treat ya
Let me give you love

Let me give you love
Let me give you love
Let me give you love
Let me give you love
Let me give you love
Let me give you love
