

Mama Nature is a Rocker

Slade

Mama nature is a rocker
Get the bee and blossom make it sting
Mama nature is a rocker
She'll get your head spinnin' in the Spring

Chorus

Are you ready? Woh oh oh
Are you ready Woh oh oh
Are you ready?
'Cos the earth is gonna shake it tonight? all right

Mama nature is a rocker
When she gets angry hear the thunder crack
She takes the rain out of the ocean
An' when she wants to cry she throws it back

Chorus

Are you ready? Woh oh oh
Are you ready Woh oh oh
Are you ready?
'Cos the earth is gonna shake it tonight? all right

Mama nature is a rocker
Every day comes up with somethin' new
She takes the day out into night time
She can curse an' turn the grey sky blue

Chorus

Are you ready? Woh oh oh
Are you ready Woh oh oh
Are you ready?
'Cos the earth is gonna shake it tonight

Are you ready?
'Cos the earth is gonna shake it tonight? all right
Are you ready?
Mama nature's gonna roll it tonight? yeah
