

Move Over

Slade

You say that it's over baby
you say that it's over now
still you hang around like a mo
won't you move over
you know that i need a woman
you know that i need a woman
when i ask you to you just tell me
that maybe you can
please don't you do it to me babe
please don't you do it to me
take this love that i offer
honey let me be

[chorus]

make up your mind, you're playing with me
make up your mind, you're playing with me
let me be your lover baby
let me honey let me be

[break]

[chorus]

no no no, no no no

[repeat verse 1]
