

Razzle Dazzle Man

Slade

Wohouhou!

Wanna be a big operator, do ya dig?
You play hard to get and make me laugh
Yeah, wanna face the rat race
Wanna find myself a place
A womaniser on my epitath

[Chorus]

I'm your man - I'm your razzle dazzle man
I'm your man - I'm your razzle dazzle man
Oh but I know for sure...you'll keep coming back for more
Take me I'm yours
Yeah, I'm your man - I'm your man
I'm your man - I'm your man...

Wohouhou!

Wanna be a smooth operator in a groove
Oh, I'm a man of means
Wanna be like a shiek - a harem makes you weak
Break right into my dreams

[Chorus]

I'm your man - I'm your on the razzle man
I'm your man - I'm your razzle dazzle man
Oh but I know for sure...you'll keep coming back for more
Take me I'm yours
Yeah, I'm your man - I'm your man
Wohohoho, I'm your man, I'm your man...
Hey, hey, hey - hey, hey, hey!

Baby, baby you're looking so - good
I ain't seen ya since I don't know when
Baby, baby - baby, baby - baby, baby...
Where do we go from here?
You wanted a car
You wanted a ring
You wanted to take all my money
You wanted everything
And I couldn't give you everything

[Chorus]

It's good to see you, don't you know
It's been a long time, don't you know
[repeating several times]

You're never gonna change
You're never gonna act your age
