

Thanks For The Memory (Wham Bam Thank You Mam)

Slade

Como estas chickadee
Have a housemaid on your knee
Eat an apple everyday
An onion keeps everyone away

Have an athlete on your feet
Have a love-smell on your sheet
Eat an apple everyday
The doctor has gotta keep away

He'll tell you
Thanks for the memory
Thanks for it all
Wham bam thank you mam
Thanks for the ball

Have a burglar alarm
Have a milkmaid on your farm
Can you raise a ballyhoo
If only there's nothing else to do

Have some butter with your fly
They said bananas could get you high
Eat an apple everyday
For the doctor has gotta earn his pay

He'll tell you
Thanks for the memory
Thanks for it all
Wham bam thank you mam
Thanks for the ball

(Wham bam thanks you mam)
(Wham bam thanks you mam)
(Wham bam thanks you mam)
(Wham bam thanks you mam)
(Wham bam thanks you mam)
(Wham bam thanks you mam)
(Wham bam thanks you mam)
(Wham bam thanks you mam)

Break

Come a-west us chickadee *
