

# Walking on Water, Running on Alcohol

Slade

Well I bin walkin' on water  
I walk the water  
I bin walkin' on water  
I feel the beat  
I bin running on alcohol  
O now I'm rolling on home  
Now I'm rolling on home again  
Yeh I'm rolling on home again  
Rolling, rolling along  
I don't ever wanna go without it  
You're bringing me to life  
Gonna show you the funny side today  
Hey hey hey hey  
You gimme something  
There's no doubt about it  
To get me through the night  
Keep on laughing when you see me walk this way  
Hey hey hey hey  
Well I bin walkin' on water  
I walk the water  
I bin walkin' on water  
I feel the beat  
I bin running on alcohol  
O now I'm rolling on home  
Now I'm rolling on home again  
Yeh I'm rolling on home again  
Rolling, rolling along  
Is it time to go and face the music  
I wanna stay in bed  
Pardon me if I seem a little slow  
Oh oh oh oh  
Too much of everything  
The night before  
You know I'm easily led  
Are my feet on the on the floor well I don't know  
Oh oh oh oh  
Well I bin walkin' on water  
I walk the water  
I bin walkin' on water  
I feel the beat  
I bin running on alcohol  
O now I'm rolling on home  
Now I'm rolling on home again  
Yeh I'm rolling on home again  
Rolling, rolling along  
Well I bin walkin' on water  
I walk the water  
I bin walkin' on water  
I feel the beat  
I bin running on alcohol  
I need a hair of the dog  
Now I'm rolling on home again  
Yeh I'm rolling on home again  
Rolling, rolling along
