

When Fantasy Calls

Slade

Juicy fruit
Cock-a hoot
You're comin' on strong
You're comin' on strong
Not so fast
Make it last
The feeling takes time
It's yours and it's mine

Chorus
Oh when fantasy calls
It takes all the balls you possess
Oh them houses of pleasure
Where can I find this address

Break

What's in store
Thrills galore
You're turning me on
You're turning me on
Slip and slide
Open wide
The feelings so good
Just like it should

Chorus
Oh when fantasy calls
It takes all the balls you possess
And them houses of pleasure
Where can I find this address

Chorus
Oh oh when fantasy calls
It takes all the balls you possess
And them houses of pleasure
Where can I find this address
