## **Back On The Map**

I'm gonna get it back Get back what we had We're gonna fight to make it right You know we'll use our might We're gonna take it to the start We know we use our heart We're gonna fight to get it back You know we'll be back on the ma

Back on the map Back on the map Back on the map Back on the map

It's time for us to run You know we'll never fall We're take back what is ours Gonna take it all But I know we'll get it back We'll get back all we had And you'll see us when we're there Back on the ma
