Chameleon

Chameleon - what's your color today Chameleon - this ain't your color to stay Chameleon - blows the way the wind blows Chameleon - goes where everyone goes What's the new thing this week Is it because your weak Is it acceptance you seek You don't have to be a freak Freak Chameleon - what's the look right now Chameleon - I know you'll change somehow Chameleon - I didn't recognize you Chameleon - because you look like a fool What's the new thing this week Is it because your weak Is it acceptance you seek You don't have to be a freak Freak What's the new thing this week Is it because your weak Is it acceptance you seek You don't have to be a freak Freak
