They don't know what it takes to make a man break down.

The don't know what it's like to survive without your friends a nd family around,

They tell you that you're lazy and won't get off your ass to find a job

So you deserve that shitty situation that you got.

You always told me to believe in myself but i believe in you, d on't give up.

I wanna hear you say it is gonna be alright and everythings gon na be ok.
