

# Crucify the Dead

Slash

The fire started long ago  
The flames burned out, still embers glow  
So charred and black  
There's nothing left to burn, to burn

We had the same dream  
Lived life to extreme  
A loaded gun jammed by a rose

The thorns are knots around your head  
Your ego cursed you till you bled  
You cannot crucify the dead  
To me you're dead, yeah

The future is unset in stone  
Decisions past leave you alone  
Betrayed us all with your own selfish greed, your greed, yeah

New soldiers now say  
That your beggars collect  
Re-crucified and paid by you

The thorns are knots around your head  
Your ego cursed you till you bled  
You cannot crucify the dead  
To me you're dead, yeah

We were like brothers with the world in our hands  
You always have too much to say  
Someday you look back and you wonder why  
You let it all slip away, yeah

Crucify the dead  
Crucify the dead

The thorns are knots around your head  
Your ego cursed you till you bled  
You cannot crucify the dead  
To me you're dead, yeah
