Slash

I can't wait to see it  
You just don't believe it  
The things she does

There may never be two ways about it  
Everything she do just turns me on  
Anything I need she gonna find it  
Boy it; well I know it don't belong

She gonna go all night yeah  
She does like it when you take it real slow  
All night, my dirty girl  
She make me feel alright yeah  
She runs clean until the lights are down low  
Say all night, my dirty girl oh

I can't wait to see it  
You just don't believe it  
The things she does

Anything you like she gonna show it  
From behind a pixelated view ahh  
Drop another dime she will expose it  
Do the things that no one else will do

She gonna go all night yeah  
She does like it when you take it real slow  
All night, my dirty girl  
She make me feel alright yeah  
She runs clean until the lights are down low  
Say all night, my dirty girl oh

Oh my dirty girl  
She gets the best of me  
But I keep coming back for more  
Yeah

She come like electric lover  
She got me winded got me losing control  
She come like there ain't no other  
Say I-I-I don't wanna let it go  
She come like a distant lover  
She got me feeling [?]  
She come like there ain't no other  
Say I-I-I don't wanna let it go  
My dirty girl's online again

All night yeah  
She does like it when you take it real slow  
All night, my dirty girl  
She make me feel alright yeah  
She runs clean until the lights are down low  
Say all night, my dirty girl oh

My dirty girl

I can't wait to see it

You just don't believe it  
The things she does  
I can't wait to see it  
You just don't believe it  
The things she does
