

# Lost Inside the Girl

Slash

I close my eyes and I pretend  
I slip away lying next to her  
And for a moment I will rest ashore  
I cross the mile, she seems so far  
But in my mind I feel her beating heart  
And for a moment we are not apart

And I feel that I'm lost inside the girl  
When I close my eyes almost to find the words  
Love revealed she's a diamond, she's a pearl  
She's a ray of light, a shot heard around the world  
God I'm lost inside the girl

Forbidden fruit it tastes so sweet  
What can I do to get her close to me?  
She is the only cure for my disease  
Infatuation storms my heart  
It's slowly breaking me, I fall apart  
What can I do? I always fall so hard

And I feel that I'm lost inside the girl  
When I close my eyes almost to find the words  
Love revealed she's a diamond, she's a pearl  
She's a ray of light, a shot heard around the world  
God I'm lost inside the girl

Oh, I'm lost inside the girl  
I'm lost inside the girl

She can do no wrong  
Still she never seems to answer anymore

Her avatar shines so bright  
But my obsession is the darkest kind  
She doesn't even know that I'm alive

And I feel that I'm lost inside the girl  
When I close my eyes almost to find the words  
Love revealed she's a diamond, she's a pearl  
She's a ray of light, a shot heard around the world  
God I'm lost inside the girl

I'm lost inside the girl  
I'm lost inside the girl

She can do no wrong  
Still she never seems to answer anymore  
She can do no wrong  
Still she never seems to answer anymore
