Rocket Queen

If I say I don't need anyone I can say these things to you 'Cause I can turn on any one Just like I turned on you I've got a tongue like a razor A sweet switchblade knife And I can do you favors But then you'll do whatever I like

Here I am And you're a Rocket Queen I might be a little young But honey I ain't naive Here I am And you're a Rocket Queen oh yeah I might be too much But honey you're a bit obscene

I've seen everything imaginable
Pass before these eyes
I've had everything that's tangible
Honey you'd be surprised
I'm a sexual innuendo
In this burned out paradise
If you turn me on to anything
You better turn me on tonight

I see you standing Standing on your own It's such a lonely place for you For you to be If you need a shoulder Or if you need a friend I'll be here standing Until the bitter end No one needs the sorrow No one needs the pain I hate to see you Walking out there Out in the rain So don't chastise me Or think I, I mean you harm Of those that take you Leave you strung out Much too far Baby-yeah

Don't ever leave me Say you'll always be there All I ever wanted Was for you To know that I care Slash
