Slash

Hey Hey Hey

When you look you see right through me  
Cut the rope, fell to my knees  
Fallen, broken every single time

Always keep me under finger  
That's the spot where you would (sue) me  
Might see some type of pleasure in my mind

Yeah, here comes the water  
It comes to wash away the sins of you and I  
This time you see

Hey hey hey

When you seek me you destroy me  
Rape my mind and smell the poppies  
Born in blood in every single time

Always keep me under finger  
That's the spot where you might linger  
But I see some type of pleasure in my mind

Yeah, here comes the water  
It comes to wash away the sins of you and I  
This time you see  
Like holy water  
It only burns you faster than you'll ever dry  
This time with me

[guitar solo]

When you look you see right through me  
Cut the rope, fell to my knees  
Fallen and broken  
Every single time

Yeah, here comes the water  
It comes to wash away the sins of you and I  
This time you see  
Like holy water  
It only burns you faster than you'll ever dry  
This time with me

Hey, hey, hey
