She Spit's At The Pimp
Who Throw's Her To The Floor
She Pulled Out A Knife
Don't Hurt Me No More
But The Pimp Didn't Believe It What She Said
She Forced In Her Knife And Now He's Dead

And I Said Oh La
It's Just Another Sad Song

Down On Tenth Avenue
Young Girl's Smoking Cocaine
Looking For Client's
To Ease Their Endless Pain
She Became Hungry For Her Sex
She Found Smothered In New Aspex
And I Said Oh La
It's Just Another Sad Song
