

## Hell In New York

### Slaughter and the Dogs

Sky Scrapper?s Falling  
As New York Comes Down  
The Widow?s They Are Crying  
While The Cad?s Loot The Town  
Corruption May Get You When You?re Innocent  
The Vulture?s They Attack When You Recumbent

There?s Hell, In, New York, To-Night  
There?s Hell, In, New York, To-Night

Homicides Happening In Central Park  
The Siren?s They Are Saying Don?t Walk In The Dark  
Blood Mean?s Money When The Hit Men Fire  
Professional Lady?s Will Give You Desires

There?s Hell, In, New York, To-Night  
There?s Hell, In, New York, To-Night

Watch These Boy?s In White  
While They Look So Good  
Destroying All Other Culture?s  
Like Dictator?s Should  
And Nixon Came Out Of Kennedy?s Life  
You Better Look Out On A Politician Strife

There?s Hell, In, New York, To-Night  
There?s Hell, In, New York, To-Night

There?s Hell, In, New York, To-Night  
There?s Hell, In, New York, To-Night  
There?s Hell. In. New York.....
