

Since You Went Away

Slaughter and the Dogs

When I Walk Into My Room
I Feel O' So Lonely
Look On The Bed
And Your Not There
If It Could, If Only
I Could See, My Picture To-Day

You Said You, Were Going, A-Way
People Say I'm Going Crazy
They Don't Understand
You Said I, Had To Choose,
You Or The Band
I Could See, My Picture To-Day
You Said You, Were Going, A-Way

So Mix I Don't No My Mind
I Must Go And Hide
I Loved You, And The Band
Told You I Had Lied
I Could See, My Picture To-Day
You Said You, Were Going, A-Way
