

We Don't Care

Slaughter and the Dogs

Hanging Round Civic On A Afternoon
You Don't Give A Damn What They Say To You
You Just Look Look Look In There Face
Turn Away And Laugh In Disgrace

We Don't Care, No We Don't Care
We Don't Care, No We Don't Care
Ye !

Try And Open Your Eye's
And Realize We're Not In Disguise
All The Time We're Thinking Of You
And We Know What What Your Going to Do

We Don't Care, No We Don't Care
We Don't Care, No We Don't Care
Ye !

In A Year From Now Or Maybe More
You'll Be On This Same Score
Coz Now You're Living In The Past
And Man This Thing Just Cannot Last

We Don't Care, No We Don't Care
We Don't Care, No We Don't Care
Ye !

No, We Don't Care, No, We, Don't Care,
No, We, Don't Care, Care, Care, Care,
Care, Care, Care, Care...
No, We, Don't Care...
