Wearing boots and short hair cuts.  
We will kick you in the gut,  
But no luck they've all grown up.  
They drink tea from a cup.  
Some get married and settle down.  
Others they leave for a foreign town.  
Fighting gangs every night.  
We use sticks hit 'em in the Kite.

Where have all the boot boys gone ?  
It looks like I'm the only one. The one !!!!!  
Friday came we go to a dance hall.  
Battering stuff we have a ball .  
We don't know what we've done.  
We go see United coz we're having fun  
We get released on 50 quid bail.  
But I know I'll end up in jail.  
I was a leader I was so proud .  
I hung with a gang, what a crowd
