

# Dangerous

## Slaughter

Yeah!

Well, come on everybody  
Are you feelin' good?  
Cause I know about you, lady again

So pick your poison and attitude  
Come on and let the party begin  
Party time

Oh yeah

Yeah  
So dangerous, livin' so dangerous  
Dangerous, all night long  
Dangerous, yeah so dangerous  
Dangerous, come on!  
Yeah

When I'm livin' easy and ridin' free  
Ain't nobody ever gonna slow me down  
Rock n' roll, it's a one way street  
That's where me and the boys can be found  
Raise 'em up  
Ooh, raise 'em up

Yeah  
So dangerous, livin' so dangerous  
Dangerous, all night long  
Dangerous, yeah so dangerous  
Dangerous, come on!  
Yeah
