

# Days Gone By

Slaughter

Oh yea

It's so good to see you now  
It's been so long since we've been together  
You kept in touch somehow  
You always found a way to be there...yea

I wish that I could stop the hands of time between us

All the days gone by  
Do you remember when  
We were the best of friends  
All the days gone by  
You know that memories never fade  
As your watching all your days go by

They go by... oh yea

Looking back on younger years  
That's what are hopes and dreams are made of

Oh

All the laughter and the tears  
it's the feelin' of love that make us

Oh Oh yea

I wish that I could stop the hands of time between us

All the days gone by  
Do you remember when  
We were the best of friends  
All the days gone by  
You know that memories never fade  
As your watching all your days go by

Oooo... all of the feelins  
That we had before but through the years

Ooo... those were the times

Ooo yea

Alright

Whoa

The memories we share  
You cant erase them from your mind

All of the days gone by  
You know that memories never fade  
As your watching all your days go by

They go by (they go by)  
They go by (they go by)

They go by (they go by)  
They go by

Memories never fade  
As your watching all your days go by...oh
