

# I'm Gone

Slaughter

Take it to the limit it's so good to be alive  
Send out an all points bulletin and join the rocket ride  
Because I'm gone. . .I'm gone, gone, gone, gone, gone  
I've got the pedal to the medal  
And I hope to see you soon  
I've got so much testosterone I'm blowin' up the room  
Because I'm gone. . .I'm gone, gone, gone, gone, gone

Can't you see no pain no gain  
Runnin' around inside my brain

Everybody come along  
Because I'm gone, gone, gone, gone, gone

Can't you see no pain no gain  
Runnin' around inside my brain
