

# The Slaughter

## Slaughterhouse

Who the fuck wanna get it on?  
Get shitted on, ten minutes long  
Oh fuck! [various violent butchering]  
Get shitted on, ten minutes long  
A few minutes featured, then they gone

Fuck rap, I'm not dealin with it  
I carve kindness on a bullet, and kill you with it  
Your mom's a slut

What is an emcee?  
An emcee, is a soldier  
Who never backs down from any challenge  
From any cipher  
Well this is the title that was given to us  
Slaughterhouse - no fake emcees allowed
