

White Knuckle Ride

Slaves

Somebody please get me off this white knuckle ride
Before I choke to death swallowing my pride
We were getting along famously, so what the fuck happened?
You say words that I don't approve of, and I've said some terrible sentences
I love you more when you're angry with me,
'cause you're so boring when you're nice
I love you more when you're angry with me,
'cause you're so boring when you're nice

Somebody please get me the fuck off this rodeo
Wherever I go you're just a stone's throw away
I'd rather die on my feet, than live on my knees
I'd rather die on my feet, than live on my knees
I love you more when you're angry with me, 'cause you're so boring when you're nice
I love you more when you're angry with me, 'cause you're so boring when you're nice

Somebody please get me off this white knuckle ride
Before I choke to death swallowing my pride
We were getting along famously, so what the fuck happened?
