Driving compulsion morbid thoughts come to mind Sexual release buried deep inside Complete control of a prized possession To touch and fondle with no objection Lonely souls an emptiness fullfilled Physical pleasure and addictive thrill An object of perverted reality An obsession beyond your wildest dreams

Death loves final embrace Your cool tenderness Memories keep love alive Memories will never die

The excitement of dissection is sweet
My skin crawls with orgasmic speed
A lifeless object for my subjection
An obsession beyond your imagination
Primitive instinct a passion for flesh
Primal feeding on the multitudes of death
Sadistic acts a love so true
Absorbingly masticating a part of you

Death loves final embrace Your cool tenderness Memories keep love alive Memories will never die

I need a freind
Please be my companion
I don't want to be
Left alone with my sanity

Erotic sensations tingle my spine
A dead body lying next to mine
Smooth blue black lips
I start salivating as we kiss
Mine forever this sweet death
I cannot forget your soft breaths
Panting excitedly with my hands around your neck

Shades are drawn
No one can see
What I've done
What's become of me
Here I stand
Above all that's been true
How I love
How I love to kill you
