

Circle of Beliefs

Slayer

Can't explain the other side
Answers lost before their eyes
Violence surges from inside
A state of mind that never dies
Born into a chosen way
Life that doesn't fit today
To die a painful death it seems
Is better than your misery
Contemplating rearranging
Changing all your ways of tinkering

Everyday you life seems like
It's pushed into a hole
Acting out another's needs
To rule a soul eternally
Adjusting to another set
Of values takes it's toll
Growing in a lunacy
That plays on your stupidity

Circle of beliefs
Secrets never keep
Living in a lie
Right before your eyes
Born without a brain
Helpless is your name
All you do is pray
Living is your pain

Mentally so small you can't
Accept another side
Your point of view a memory
Because it doesn't mean a thing
The resurrection's waiting for
A world without sin
The temples will crumble
While awaiting for it to begin

Circle of beliefs
Secrets never keep
Living in a lie
Right before your eyes
Losing is your way
Mental disarray
I can see your strain
You don't want to be saved

Can't you see no validity
Must control silencing of souls
Slow decay spreading through your brain
Devistate the deviant will dominate

Can't you see there's no validity
Your way is not the only way
Slow decay spreading through your brain
Don't you see the power of the enemy
Tyrrany total supremacy

Control the silencing of souls
Slavery within the entity
Devistate, dominate

Can't explain the reason why
Someone would rather live than die
If dying is the only way
To end a life of mental stains
All your life he's been the cause
A man impaled upon a cross
Pure religious holocaust
If religion dies it's not my loss

Perception always biased Feeding off a fallacy
Your systematic way of life
Decided for you every night
Intentional conflicting words
Avoid solidity
Blinded by the holy light
That constantly consumes your mind

Circle of beliefs
Secrets never keep
Living in a lie
Right before your eyes
Burning in my wake
Souls are free to take
You're following a fake
Everyone awake!!!
