## **Dissident Aggressor**

Grand canyons of space and time universal My mind is subjected to all

Stab! Bawl! Punch! Crawl!
Hooks to my brain are well in
Stab! Bawl! Punch! Crawl!
I know what I am, I'm Berlin

Through cracked, blackened memories of unit dispersal I face the impregnable wall

Stab! Bawl! Punch! Crawl!
Hooks to my brain are well in
Stab! Bawl! Punch! Crawl!
I know what I am, I'm Berlin

Exploding, reloading, this quest never ending Until I give out my last breath

I'm stabbing and bawling, I'm punching and crawling Hooks to my brain are well in I'm stabbing and bawling, I'm punching and crawling I know what I am, I'm Berlin
