Existing on damnation's edge
The priest had never known
To witness such a violent show
Of power overthrown

Angels fighting aimlessly Still dying by the sword Our legions killing all in sight To get the one called Lord

The Gates of Hell lie waiting as you see There's no price to pay just follow me I can take your lost soul from the grave Jesus knows your soul can not be saved

Crucify the so called Lord
He soon shall fall to me
Your souls are damned your God has fell
To slave for me eternally
Hell awaits...

The Reaper guard's the darkened Gates That Satan calls his home Demons feed the furnace where The Dead are free to roam

Lonely children of the night There's seven ways to go Each leading to the burning hole The Lucifer controls

Priests of Hades seek the sacred star Satan sees the answer lies not far Zombies screaming souls cry out to you Satanic laws prevail your life is through

Pray to the moon... when it is round Death with you shall then abound What you seek... for can't be found In sea or sky or underground

Now I have you deep inside my everlasting grasp The seven bloody Gates of Hell Is where you'll live your last

Warriors from Hell's Domain Will bring you to your Death The flames of Hades burning strong Your soul shall never rest

The Gates of Hell lie waiting as you see There's no price to pay just follow me I can take your lost soul from the grave Jesus knows your soul can not be saved

Sacrifice the lives of all I know they Soon shall die

Their souls are damned to rot in Hell and keep the fire growing deep inside Hell awaits...
