

Be Yr Mama

Sleater-Kinney

Hold onto it
Hold onto it
Make you better
I made you better
You're inside me
I'm yr mommy

I know what is going on here
I always make you so stronger
Can't you see that I need to?
Can't you see that I need to, yeah?

Hold onto it
You hold onto me
Fix it for you
I fixed it for you
But I don't wanna
Be yr mama

I know what is going on here
I always make you so stronger
Can't you see that I need to?
Can't you see that I need to, yeah?

Just a little more
Is what I wait for
Just a little more
Is what I wait for

Hold onto it
You hold onto me
But I'm not gonna
Be yr mama
