

Not What You Want

Sleater-Kinney

Saw Johnny at the store
I said, "Get your car, let's hit the road"
Oh, tell me baby, what's wrong?
He said, "Tell me baby, what's wrong?"
(She's on fire now)

Do do do do do do do do do
(Do you think you wanna watch?)
Do do do do do do do do do
(I think you'd better not)

Do you wanna get the wheel?
Swerve my heart, it pounds with steel
Oh, tell me baby, what's wrong?
He said, "Tell me baby, what's wrong?"

You'll not what you want, it's everything
Not what you want, it's everything
Not what you want, it's everything
Not what you want, it's everything

Get my foot on the floor
Go eighty, ninety five, maybe more
Tell me baby, what's wrong?
He said, "Tell me baby, what's wrong?"

It's not what you want, it's everything
Not what you want, it's everything
Not what you want, it's everything
Not what you want, it's everything

Hold me out, you're my girl
Hold me out, you're my girl
You're my girl

Not what you want, it's everything
Not what you want, it's everything
Not what you want, it's everything
Not what you want, it's everything
Oh, it's everything
