I can't find you Stay where you are I'm in the dark Stay where you are

(I'm alright
I feel fine
You're my life
I'm alright)

She's dead if you want and that's me if you want Stuffed in the corner "little girl lost"
I claw and I scratch and I beg and I scream
I just need you to save me one last time
It's me if you want but it's not what I want
I want to burn up the place
Set it on fire
She's back because she wants to not be contained
I can't tell the truth I can't speak this way

You can't find me You're in the dark I'm right here Stay where you are

(I'm alright
I feel fine
You're my life
I'm alright)

She's dead if you want and that's me if you want Stuffed in the corner "little girl lost"
I claw and I scratch and I beg and I scream
I just need you to save me one last time
It's me if you want but it's not what I want
I want to burn up the place
Set it on fire
She's back because she wants to not be contained
I can't tell the truth I can't speak this way
