

## Like Autumn

## Sleeping at Last

Oh, God, when I ask you  
"Why do you love me?"  
I will try to understand  
The silence that whispers reason

I can never comprehend  
Your love

Like autumn  
Sorrows change  
And hush the sea to sleep  
Then I cry...

Because I am weaker than anyone  
I am weaker  
I fall

I can never comprehend  
Your love

Like autumn  
Sorrows change  
And hush the sea to sleep  
Then I cry...

Because I am weaker than anyone  
I am weaker  
I fall

I'm so cold without you  
Words cannot explain  
Words cannot explain

I'm so cold without you
