

Like Autumn

Sleeping at Last

Oh, God, when I ask you
"Why do you love me?"
I will try to understand
The silence that whispers reason

I can never comprehend
Your love

Like autumn
Sorrows change
And hush the sea to sleep
Then I cry...

Because I am weaker than anyone
I am weaker
I fall

I can never comprehend
Your love

Like autumn
Sorrows change
And hush the sea to sleep
Then I cry...

Because I am weaker than anyone
I am weaker
I fall

I'm so cold without you
Words cannot explain
Words cannot explain

I'm so cold without you
