

## Mended Heart

## Sleeping at Last

Goodbye. I'll miss you.  
Sleep tight. Goodnight.

Goodbye. I'll miss you.  
Sleep tight.  
A mended heart  
By a thousand stitches.  
A mended heart  
By a thousand...

Walk with me.  
I will never erase  
Your name  
From my heart.

I am held together  
By promises.

Goodbye I'll miss you.  
Sleep tight.
