

Morning Star

Sleeping Giant

Stomp the devil, Lord.

Jesus come,
Kingdom come.

Jesus come,
Cause You are worthy of every human life,
Kingdom come,
Alpha, Omega, Beginning and End.

Jesus come,
Cause You are worthy of every human life,
Kingdom come,
Alpha, Omega, Beginning and End.

I am blinded by glory,
His face shines like the sun,
His words shake the foundations,
The Holy Lamb has become the Lion.

Lift up your eyes, all you nations,
The King is returning.

Christ, the Morning Star, shine bright,
Heaven's Light,
Falling down on me.

To those who recognize your eyes,
You will come,
Sing: 'My beloved',
Take you with me.

Christ, the Morning Star, shine bright,
Heaven's light,
Falling down on me,

To those who recognize your eyes,
You will come,
Sing: 'My beloved',
Take you with me.

Maranatha!
The Spirit and the Bride say: 'come',
Maranatha!
Oh God, let Your Son return,
Maranatha!
The Spirit and the Bride say: 'come',
Maranatha!
You're beautiful,
Maranatha!
The Spirit and the Bride say: 'come',
Maranatha!
You're beautiful.
