

Overthrow

Sleeping Giant

Flesh and bone.
Snakes and Vultures.
Overthrow
prison culture.
Watch me flow,
like a River.
From the throne
into every nation on the earth.

We represent eternal life
and we defy your suicide.
We're too supernatural for
your modern life's modern lies.
Crushing the legalist agenda,
defying the hypocrites mentality.
Standing for Christ our True Messiah.
We welcome you into the new reality.

Flesh and bone.
Snakes and Vultures.
Overthrow
prison culture.
Watch me flow,
like a River.
From the throne
into every nation on the earth.

Whether you're a real big spender,
or living on your face in a Communa.
The Cross the great equalizer.
One King One ruler.
Crushing the legalists agenda.
Defying the hypocrites mentality.
Standing for Christ Our True Messiah
we welcome you into the new reality.

Kingdom Come
Kingdom Come
And Overthrow.

Kingdom Come
Kingdom Come
Kingdom Come
And Overthrow.

Kingdom Come
And Overthrow.

Kingdom Come
And Overthrow.
