

The Power Of Prayer

Sleeping Giant

The fury of voices unleashed
contained in breath and fire
gasping
crawling
begging for mercy
demons plead

Where I come From we Call this War and when we strike
we see the unseen topple
where monstrous spirits tread
the DREAD Champions Claim His Glory

We've already won this game
but now the prisoners of war remain and at the end of this terrible day
we'll judge the hosts of rebellion
and Sing

Dominion
To the Lion and
The Lamb
He Who's Slain In heaven
Is Victor in Hell
On earth
Dominion
to the Lion and
the Lamb
he who's slain in heaven
was Victor in Hell

Hallelujah

Salvation!
Glory!
Power!
Forever!

Salvation!
Glory!
Power!
Forever!

For The Lamb.
