

# This Calls For Patient Endurance On The Part Of The Saints

Sleeping Giant

Warned  
Be Warned  
Be Warned

One day the underground  
will be the only option

War!  
Destruction!  
Comes to the shores  
of America  
One day the price you'll pay  
the brutal price to pray  
will be the blood of your firstborn sons NO

Now what will you do  
will you remain  
true to his name  
though the Antichrist reigns

and this nation rolls  
over bones of believers

they sing "The Saints Are Dead"  
we keep on truckin!  
Though this nation rolls  
Keep Rollin'

they sing "The Saints Are Dead"  
we keep on truckin!  
Though this nation rolls  
Keep Rollin'
