Sleeping Giant

All fear, all pain, all hurt, all grief, all lies, must bow to
Jesus' name.

All kings, all thrones, everything that breathes life, must bow
to Jesus' name.

The earth, the sea, the sun, the stars, the sky, must bow to Je
sus' name.

Hallelujah.

Kings, crowns, thrones, bow down.

Fall face down, bow down.

Kiss the ground, bow down.

Jesus, you hold the crown, bow down.
