Could you check my pulse for me To see if I'm alive Cuz every time that I am near you Is the only time I feel alright If there were any way I could think to turn back time I'd stay here with you Sometimes I sit and wonder Sometimes I feel like letting go All I know is no one should have to be alone I don't want to be alone I don't want to die alone (Do you have to die alone?) I could fall apart here and now I don't want to die alone I want to be with you, you, you I only want to be with you, you, you Tell me what's the point of life Is it material? Had everything I could ever want and probably more When I lay in bed at night All I do is think of you So when all this is gone what do I have to come home to? This life goes by so fast Pretty soon I'll grow old What would I have but some stories now that I have told No one to share them with And when it's all done What am I left with? Tell me what's left! I don't want to be alone I don't want to die alone (Why would you have to die alone?) I could fall apart here and now I don't want to die alone Leave me? How the fuck you gonna leave me? When I'm the one that's on TV With these girls screaming Outside with my CD And I'm begging? Now baby, you're the one that can't keep me Leave me? Girl how the fuck you gonna leave me? Huh, you know I love you, when we fight and we argue I kiss and I hug you You push me back, you say that I'm trouble And every Bonnie got a Clyde with her

Every woman needs somebody that's gonna ride with her

Yeah, and I can't go on staying alive if I'm alone Pick up the phone and say hello
I'd rather die with her
Now my night's so cold
When your heart is frozen
Mine's exposed you know this
Try to blame the fame for the way I've changed
And you know those claims are bogus
Baby, it's not me, it's us
Maybe now all we need is trust
Maybe this Hennessey will solve our problems
Baby, pick it up

I don't want to be alone
I don't want to die alone
(Why would you have to die alone?)
I could fall apart here and now
I don't want to die alone

Could you check my pulse for me To see if I'm alive
