Sleeping with Sirens

Fire

Yeah... Yeah... You made up your mind Right before the sound can move Softly from your lips You leave behind A choice which once before you thought you could not resist You give what you have when you Decide that you Keep burning like fire, It's burning you down Sometimes they say this should feel something like fire 'Til it burns you and you can't, No, you can't remain the same Stay the same, stay the same, stay the same I can't change You're losing your light, Everything that was yours just does not exist So don't even try to say Sorry for the things in life you might have missed You give what you have when you Decide that you Keep burning like fire, It's burning you down Sometimes they say this should feel something like fire 'Til it burns you and you can't, No, you can't remain the same Stay the same, Although you know They say this should feel something like fire, No, I can't change Do what you wanna do Keep building it higher, Keep burning it down You lose who you are when you Keep burning like fire Like it's all around What do you have to prove I'll die for you Keep burning like fire It's burning you down Sometimes they say this should feel something like fire 'Til it burns you and you can't, No, you can't remain the same Stay the same, Although you know They say this should feel something like fire

'Til it burns you and you can't No, you can't remain the same Stay the same Stay the same Stay the same
