

Fly

Sleeping with Sirens

Woo!

Can we fly, can we fly away

I'm sitting on the edge

A thousand stars burning in the sky up overhead

How could it get more beautiful than this?

And it made me think of when,

when in my life have I ever felt more infinite?

Could I ever get back there again?

That's the way it goes you fall so short,

sometimes you feel so cool

But when you find the thing that matters most may you never let it go

(That's the way it goes, that's the way it goes)

I wanna fly

I'm ready to burn down all the walls that I've been building up inside (Whoa)

I wanna fly and put back all these pieces of this broken heart tonight (Whoa , whoa)

Can we fly, can we fly away?

Can we fly, can we fly?

Can we fly, can we fly away?

As the sun falls down I can feel the end

As I watch the breeze kissing your skin

Breathe it in

I never want this night to end

Right now I feel complete

The way the light flashes in your eyes when you're up with me

(When you're with me)

I feel I'm who I'm meant to be

And it's the way it goes you brought up love and never got that close

But when you find the thing that matters most may you never let it go

(That's the way it goes, that's the way it goes)

I wanna fly

I'm ready to burn down all the walls that I've been building up inside (Whoa)

I wanna fly and put back all these pieces of this broken heart tonight (Whoa , whoa)

It's just the way

It's just the way it goes (whoa, whoa)

It's just the way

It's just the way it goes (whoa, whoa)

It's just the way

It's just the way it goes (whoa, whoa)

It's just the way it goes

I wanna fly

I'm ready to burn down all the walls that I've been building up inside (Whoa h)

I wanna fly and put back all these pieces of this broken heart tonight (Whoa)

I wanna fly

I'm ready to burn down all the walls that I've been building up inside (Whoa)

I wanna fly and put back all these pieces of this broken heart tonight (Whoa
, whoa)

Can we fly, can we fly away? (Can we fly)

Can we fly, can we fly? (Can we fly)

Can we fly, can we fly away? (whoa, whoa)

Can we fly, can we fly away? (Can we fly)

Can we fly, can we fly? (Can we fly)

Can we fly, can we fly away? (whoa, whoa)
