Go Go Go

Sleeping with Sirens

We always seem to find a way to fuck things up
At the worst time, you know
We've never been the smartest
You know you could have anyone
But standing on the edge I said
I don't want no one else

They say it's time to grow up and stop with these foolish games
But I say they're wrong
She says go, go, go
I don't want to take it slow
There's plenty of time for us to finally get it right
Why don't we crash and burn tonight?

Shoulda known we were too young to feel this much
It could kill us, you know
My nearly departed
Said you were corrupting me, I was naïve
But no one knew
I kept it to myself

They say it's time to grow up and stop with these foolish games
But I say they're wrong
She says go, go, go
I don't want to take it slow
There's plenty of time for us to finally get it right
Why don't we crash and burn tonight?

This is how we'll always be
And they'll see we were right and they were wrong
So I'll put it in a song
And you can sing along

She said go, go, go, I don't wanna take it slow
She said go, go, go, I don't wanna take it slow, oh

Go, go, go
I don't want to take it slow
There's plenty of time for us to finally get it right
So why don't we crash and burn tonight?
Crash and burn tonight
