

# The Strays

## Sleeping with Sirens

Hubcaps and ashtrays  
I was born but I wasn't raised  
The big wheel the black space  
Tried my best but wasn't praised

Hell is so close to Heaven  
Hell is so close to Heaven

Hold on, don't look back  
You know we're better we're better than that  
Lost and thrown away  
You know we're better we're better than that

We are the strays (woah oh oh)  
We are the strays

Train tracks to the stage  
Play that role, the one you made  
Long nights and the worst days  
Lived it all, but I didn't break

Hell is so close to Heaven  
Hell is so close to Heaven

Hold on, don't look back  
You know we're better we're better than that  
Lost and thrown away  
You know we're better we're better than that

We are the strays (woah oh oh)  
We are the strays

My whole life they said I'd be nothing  
Well I'm something  
And I would rather be the stray  
Than be nothing to no one at all

Hubcaps and ashtrays  
I was born but wasn't raised

Hold on, don't look back  
You know we're better we're better than that  
Lost and thrown away  
You know we're better we're better than that

Cause we are the strays (woah oh oh)  
We are the strays
