

Oh Ho Hum

Sleepy Brown

It's time to get freaked... oh it's time to get freaked...
It's time to get freaked... oh it's time to get freaked...

[Verse 1: Sleepy Brown]

Oh ho hum, I love it baby when you're goin' down with me (whooooaaa)
Oh ho hum, your body feels so good I wish that
We, could stay like this forever
Oh ho hum, fingertips move across you so slowly (whooooaaa)
Oh ho hum, the freakiness inside me wish that
We, can stay like this forever
